REFERENCE LETTER

AL KENZ Pharmaceutical, being one of the leading international healthcare provider, distributor and subagent located in the MENA region, is excited to recommend Pharma.Global as a reliable and fast growing enterprise with successful track record.

We worked in close cooperation with the member of the main team of Pharma.Global – Valentina Marchenkova, and had a number of highly successful projects.

We are planning to make strong partnership with Pharma.Global based on value system lead by trust with confidence and vision for improving the level of services for both our organizations. We strongly believe that Pharma. Global and its main team are experienced enough to digitalise pharmaceutical industry and make it more effective.

We look forward to supporting Pharma.Global to grow fast on the MENA market. Moreover, we are planning to make strong collaboration with Pharma.Global in order to achieve our business goals. We believe that Pharma.Global is one on trendsetters and has enough resources and experience to become one of the global leaders in digital healthcare system.

AL KENZ Pharmaceutical desires and plans to continue and even expand collaboration with Pharma.Global in MENA region.

Respectfully,
Mustafa Kkhalaf
