REFERENCE LETTER

ComplectService Ltd.— the exclusive distributor of the OMRON Healthcare Japan company in Russian Federation which is the leading worldwide medical technique producer. ComplectService Ltd. is also one of the leader of the medical technique production for domestic use in Russian market.

Pharma.Global company is the ComplectService Ltd partner in the area of the new medical products promotion in the pharmaceutical market in Russia.

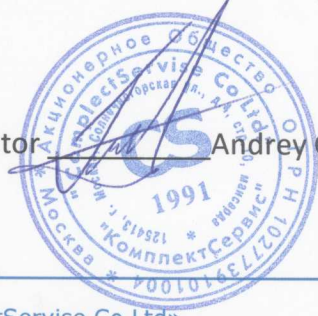

Pharma.Global promotes an ecosystem of smart solutions for the global pharma business, including the educational online-platform Pharmznanie.ru (the brand Pharma Course outside Russia) for pharmacy technicians and pharmacists while taking advantages of the platform for promoting our products like Upper Arm Blood Pressure Monitors (M3 Comfort и M3 Expert).

During our partnership, Pharma. Global company has been confirmed its high professional status, the competence and the activity in the task solution. All projects were performing in time, in agreed term and with required quality. The Pharma. Global professional collective manages their duties with responsibility.

In our opinion, Pharma. Global is one of the leaders in Russian market when we speak about implementing digital technologies into the pharmaceutical industry. Their products correspond to the latest world trends, while the technologies are reliable and have good potential. We would specifically mention the team of Pharma. Global – over 80 professionals in the most diverse pharmaceutical market segments, who can resolve complicated and ambitious tasks.

We are satisfied with the Pharma. Global cooperation and are ready to recommend this company as long-standing and well-proven partner.
