REFERENCE LETTER

The pharmacy chain Municipal unitary enterprise Central Rayon pharmacy (MUE CRP) recommends Pharma.Global company as a reliable and successfully recommended business partner, which implements modern innovative IT-technologies into a pharmaceutical market.

Since 2018, we have been working with Pharma.Global under the PharmMarket project which we are considering as the effective collaboration channel between a pharmacies of small and medium retail and pharmaceutical manufactories. Another Pharma.Global project – Cashback from pharmacies – allows to economize on a pharmacy goods for the end customer which is very interesting and prospective for us, too. Generally, the Pharma.Global ecosystem helps to reduce costs more than 45% inside the pharmaceutical supply chain.

The pharmacy chain MUE CRP intends to continue a collaboration with Pharma.Global and recommends this company as the professional in its area.
