RECOMMENDATION LETTER

Your Doctor LLC recommends Pharma.Global as a reliable and experienced partner introducing advanced digital technologies in the Russian pharmaceutical market.

Since 2017, Your Doctor LLC has been collaborating with Pharma.Global in the field of distance education for pharmacists and pharmacists. The project of the Pharmznanie company (Pharma.Course outside of Russia) has established itself as the No. 1 site in this industry: the company's employees provide these services as professionally as possible for the company Your Doctor LLC. During the cooperation, the quality of the services provided only increased, which is very valuable for our company.

We would like to separately mention the Pharma.Global team - more than 90 professionals from different industries are aimed at solving complex and ambitious tasks. The company "Your Doctor" LLC intends to continue cooperation with Pharma.Global and recommends the company as a professional and successful partner.
